"Classics"

Tasty and essential food for every kitchen

Ardo presents a range of freshly harvested and perfectly frozen vegetables from the richest soils. The range includes all your favourite vegetables plus a wide range of mixes to feed your imagination. A versatile range to suit every dish. This classic selection offers the caterer and retailer a broad choice of essential ingredients with the certainty of the Ardo marque of quality.

CLASSICS, A UNIQUE RECIPE

- wide choice, ranging from basic vegetables to exotic mixtures
- available throughout the year with guaranteed quality
- continuous quality control during production
- range driven by ongoing research into new varieties and the latest trends in food
- fully traceable from raw materials to final products
- a range of possibilities for healthy, vitamin-rich menus
